**To whom it may concern**

This letter serves to confirm that CH OIL TRADERS is currently affiliated with the South African Fryer Oil Initiative (SAFOI) housed at the University of the Free State. CH OIL TRADERS undertakes to send samples of all their oils (i.e. Sunflower Oil, Vegetable Oil Blend as well as Palm Cooking Oil) to SAFOI for authenticity and stability testing according to a University/CH OIL TRADERS contract. In return they may display SAFOI's Seal of Approval for Authenticity and/or Stability on their products. From time to time CH OIL TRADERS products will be double checked for authenticity by Inspectors who will draw samples from CH OIL TRADERS clients.

For further information, please visit the following SAFOI website:
